Bachelor of Commerce (B.Com)

 3 YEARS | Online Degree Program

Program Outline

The Bachelor of Commerce is a three-year Degree Program that will prepare you for entry-level roles in both accounting and finance. The complexity of business operations today demand a blend of accounting and finance expertise. This program with a myriad of electives will provide you with a strong foundation that you will need to pursue a career in Finance, Accounting, and Management. Along with functional and domain expertise, the program will also equip you with competencies and skills required to advance your career into leadership and strategic roles. The program curriculum encompasses courses of professional accreditation bodies from across the globe like ACCA, CIMA, CPA and CMA to give you that edge required to compete and succeed. There are electives whose courses and curriculum are benchmarked to India's three best professional courses - CA, CMA and CS.
